3. Dissemination in Social Networks

In February 2018, the project's own profiles were launched on the following social networks: in Twitter and in Facebook. And in October, in LinkedIn.

Twitter

It is now possible to follow the project on Twitter in the following url and profile: <https://twitter.com/UppGamesEU> @UppGamesEU. And use the project hashtag #UppGamesEU.

Since the Upp Games profile on Twitter was launched, 100 tweets have been published and 44 followers have been achieved.

Content is published once a day, except conferences, meetings and events that the dissemination is intensified.

Facebook

It is now possible to follow the project on its Facebook Page in the following url and profile: <https://www.facebook.com/UppGames/> @UppGames.

Regarding the Upp Games page on Facebook, we only got 13 followers and 13 likes, although the contents are updated three times a week, except conferences, meetings and events that the dissemination is intensified.

LinkedIn

Following the line of International Projects Communication of Fundación Laboral de la Construcción, we have just opened a group in LinkedIn about Upp Games, in which we will

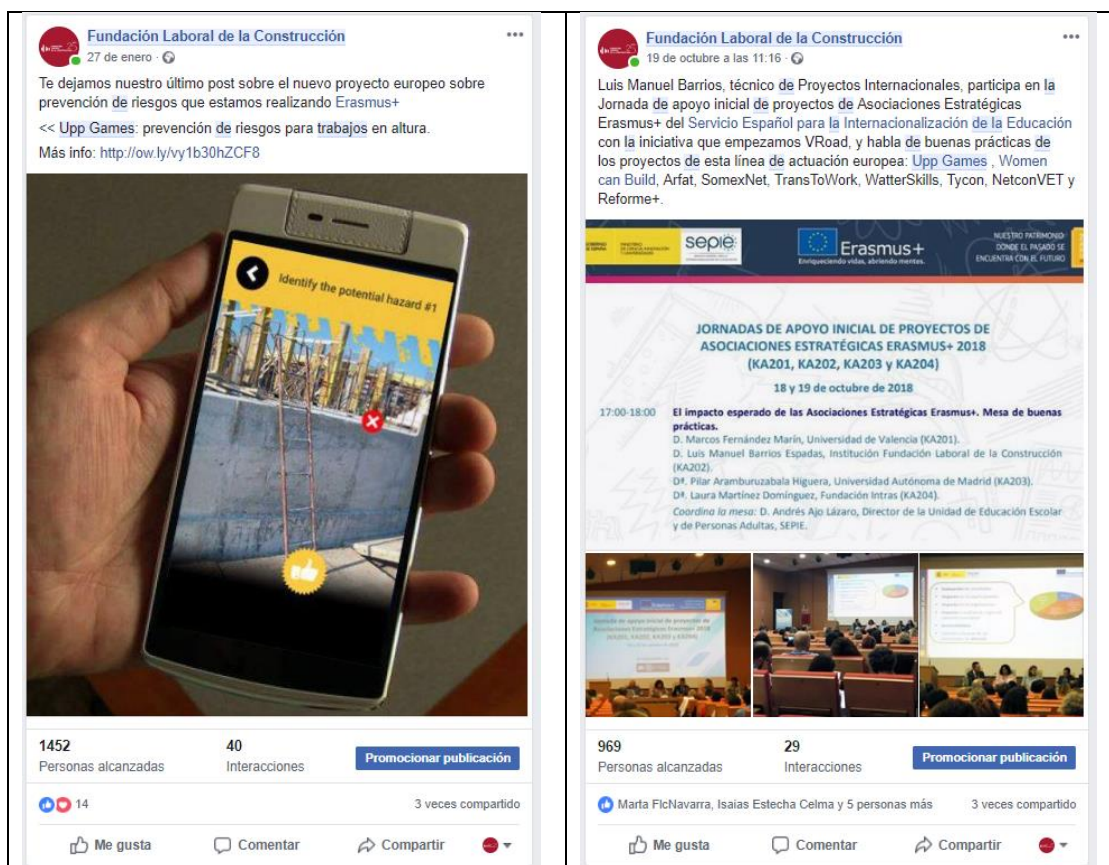

October 2017/October 2018

publish the milestones that occur throughout the project. We will report on its evolution in future reports.

It is now possible to follow the project on its LinkedIn group in the following url: <https://www.linkedin.com/groups/8701797/>.

Facebook Fundación Laboral de la Construcción

For its part, Fundación Laboral de la Construcción, as leader of this initiative, also reinforces the communication of the project through its profiles on social networks. To date, two Facebook inputs have been published, which have had a considerable impact.

October 2017/October 2018

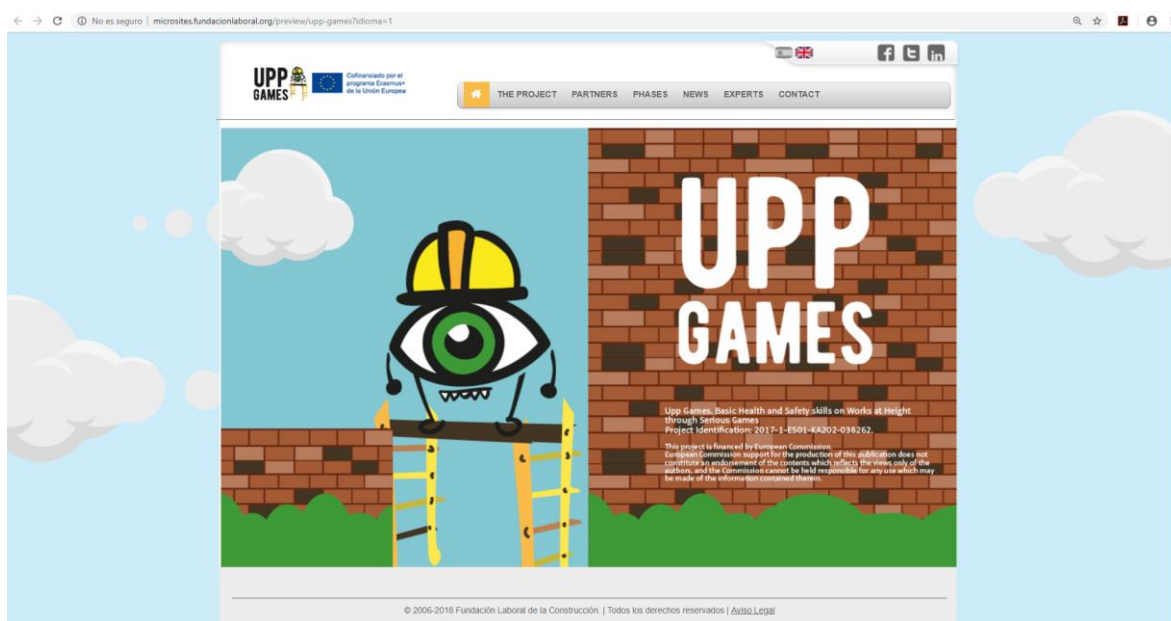

4. Microsite of Upp Games

During the month of March 2018, the project microsite was launched, and is available in Spanish and English.

Six initial sections were created -The Project, Partners, Phases, News, Experts and Contact-, although as the project progresses, the web/microsite will be enriched with more content.

It can be visited at the following urls:

- In Spanish: <http://microsites.fundacionlaboral.org/upp-games>
